Dear Parent/Carer

Your child has indicated a wish to be included in an exciting opportunity with TED Talks on Wednesday 2 March at The Riverside Centre, Newport.

TEDxLukelyBrook is an independently run, not for profit TEDx event to help share ideas across the Isle of Wight and in communities around the world. Our speakers bring 'Ideas Worth Spreading' via the event itself and online through the live stream.

Your child has been invited, as part of a group of students across the Isle of Wight, to an unparalleled Island event, to form a response group called The Watch Party. The Watch Party takes place simultaneously at the Riverside Centre, adjacent to the main venue. The students will gather to watch our speakers through the live stream to experience TEDxLukelyBrook. The speakers will visit the Watch Party and, alongside our Watch Party Team, expand on our theme of 'If not now, when?' The students will unleash fresh ideas, be inspired to become tomorrow's champions as well as the business leaders of the future.

Students will meet at The Riverside Centre and further details of this will be confirmed nearer the time. It is school policy that students should not make their own transport arrangements for travel to or from visit venues, nor to or from meeting points. Please ensure, therefore, that your child gets safely to and from the departure and arrival points.

The member of staff in charge of the group is Mrs Smith accompanied by Mr Keenan Phillips. There is no cost of the visit.

Should your child be able to attend, I would be grateful if you could confirm your interest by completing the form below.

Yours faithfully

Mrs A Smith
