

18 May 2022

Dear Parent/Carer

Your child has been invited to take part in a visit to LifeLab at the University of Southampton, as part of the EACH-B research programme. The visit is on Thursday 7 July 2022, there will be no cost for this trip.

The meeting location on the morning of 7 July will be outside the RedJet ferry terminal, West Cowes at 7.50 am. At the end of the day your child will need to be collected from outside the front of Marks and Spencer, West Cowes at 3.45 pm. We will not be travelling from or returning to the college. It is school policy that students should not make their own transport arrangements for travel to or from visit venues, nor to or from meeting points. Please ensure, therefore, that your child travels safely to and from the meeting points.

Students are required to wear full school uniform on the visit. Your child will need to bring a packed lunch (should your child receive Free School Meals then a packed lunch will be provided for them). At the end of the Lifelab day, students will be given the opportunity to download a game-based app for smartphones, based on improving their health behaviours. Therefore, it is requested that your child brings a smartphone on the day, if available.

Please return the following forms no later than Friday 10 June 2022:

1. Consent slip attached
2. EV3 (IWEF Consent form and Declaration)
3. LifeLab Consent form
4. LifeLab Photography Permission form

Your child can return the forms to their science teacher or head of year. The member of staff in charge of this trip is Miss White, should you have any queries please email brooke.white@iwef.org.uk

In the unlikely event of an emergency, or unexpected alterations in travel arrangements, I will contact the school (during school hours) or our Home Contact(s), and you will be informed of the circumstances. It is also possible for you to contact me via Mrs N McDowall 550031 or the school reception 524651 (during school hours) or on the mobile phone 07760559186 (out of school hours on the day of the trip only).

Yours faithfully

Miss White
Teacher of Science

FAO Miss White
LifeLab at the University of Southampton

I would like my child _____ from Tutor Group
_____ to attend the trip to LifeLab at the University of Southampton.

I agree that I can drop off and collect my child from the meeting points at the times stated
above on Thursday 7 July 2022.

Signed _____

Date _____
