Dear parent/carer

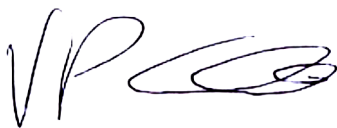

I am writing to introduce myself as your child's new Head of Year from September. I am absolutely delighted to have been appointed to this position and am looking forward to working with you all and supporting each and every student to reach their full potential over the next few years while they are at Medina College. As you may already be aware, Mrs Tuck will be moving to a new role elsewhere. I'm sure you join me in wishing her every success and best wishes.

I have taught Science at Medina College for the last four years and have had the pleasure of teaching some year 7 students this year. I am really looking forward to leading this year group and guiding them during this important stage of their education.

As Head of Year it is my role to support, encourage and monitor students to ensure progress is made. I expect them to continue with their high standards of behaviour and enthusiasm for their learning as they move forward with lots of new and exciting challenges in year 8. It is really important to me that there is a positive atmosphere within our year group, where all pupils feel valued and understand our joint responsibility for developing their academic, emotional and social skills; so they can fulfil their potential and go on to be successful young people.

If you have any questions or concerns, please do not hesitate to get in contact. My email address is victoria.lloyd@iwef.org.uk

Yours faithfully

Miss Victoria Lloyd
Head of Year 8
