

3 May 2023

Dear Parents/Guardians

### Federation Games 2023

This year's Federation Games will be held on Wednesday 10 May 2023 at Medina College. This is an annual event where all of the year 7 students from across the Federation (Carisbrooke and Medina Colleges) compete against each other in a sport that they have selected from the options available.

Carisbrooke College students will be transported by coach across to Medina College, leaving at 9.00 am and returning before the end of the school day so they can travel home as normal. They will be with their sport event all day. Cricket/Handball/Football will be outside all day and students will need their school PE kit, along with enough layers to be warm and dry for the weather conditions and food and drink for the day as they will not have access to the canteen. Please ensure your child has sun cream. Students playing Basketball will be inside and so only need layers to travel in over their PE kits, along with their food and drink. Students who receive free school meals will get a packed lunch provided for them, which will be handed out in the morning before they travel.

Students should come into school in their PE kit. Normal school uniform is not required for the day.

Although this is an exciting event to be part of, the school rules and behaviour expectations will still apply. Students misbehaving will be sent back to Carisbrooke College.

Unfortunately parents are not allowed to spectate at this event. In order for your child to take part, please complete and return the slip below to the PE office.

Yours faithfully

Mr K Phillips
