

26 May 2023

Dear parents/carers

I am writing to you about the upcoming Isle of Wight Festival, which is Thursday 15 June to Sunday 18 June 2023.

For safety reasons, Medina College will not be open to students in person on Friday 16 June. **The only exception to this is Year 11 students taking exams, in which case these will be taking place on site as planned.**

For all other year groups, teaching will be delivered remotely via Google Classroom. Please encourage your children to engage with this, as it is important that their learning continues and they submit the work that is set.

Details relating to the road and travel plans for the area will be shared with you nearer the time.

For clarity, there is no impact on Carisbrooke College or The Island VI Form. Both of these sites will be open as normal on Friday 16 June.

Please also note that Monday 19 June is a school development day, so the school is not open to students. Again, **the only exception to this is Year 11 students taking exams, in which case these will be taking place on site as planned.**

Thank you for your understanding.

Matthew Parr-Burman  
Executive Headteacher/Head of Medina College
