Dear Parents/Carers

We are pleased to confirm that The Island VI Form **will** be open to all students as normal on Wednesday 5 July and Friday 7 July.

As mentioned in the previous industrial action letters, I do envisage that there will be some disruption to standard lessons, so there may be some lessons which are taught and some which involve independent study, but the site will be open to the students as normal.

On Wednesday 5 July, Year 12 trial exams will continue as planned.

We ask that all members of the community respect the individual's right to take part in the industrial action, which is, as I mentioned previously, because of a national dispute between the unions and the Government, not because of any issues within the Federation.
