### How to pay

Students will be invoiced once the exam boards have completed the review of results.

If a student's grade changes because of the review of results the exam board will not make a charge.

<sup>1</sup>\*Including a copy of the script

<sup>1</sup>This service is not available to individual candidates, must be requested by Head of Faculty

<sup>2</sup>This service is to request a copy of script to support a non-priority **review of marking**

<sup>3</sup>Where a copy of a re-checked or reviewed script is required, this should normally be applied for at the same time as the RoR request to meet the relevant non-priority RoR deadline; check the relevant awarding body's post-results services information to confirm this process and deadline (An individual awarding body may automatically provide a copy of the reviewed script with a clerical re-check or review of marking as part of the service)
