

30 August 2023

Dear Parent/Carers

During the transition process for your child from primary to secondary school, you will have met Mr Tennant who was the current Head of Year 7.

Due to Mr Tennant changing roles within the school, he will no longer be the Head of Year for your child. This will now be Miss Jody Blackmore.

Miss Blackmore has been with the Federation for a number of years as a Maths teacher and will introduce herself to your child on their first day of school. She is very much looking forward to working with you and your child over the next year.

If you have any queries, she can be contacted by calling the main school number or by email on jody.blackmore@iwef.org.uk. Mrs Keenan-Croad will remain as Assistant Head of Year for your child and her email address is sophie.keenan-croad@iwef.org.uk.

We look forward to your child joining Medina College on Tuesday 5 September.

Yours faithfully

Medina College
