Dear Parent/Carer

Re: Geography Fieldwork to Sandown and Yaverland Bay 5 October 2023

As part of our Year 11 Geography project in studying coastal management, we will be organising a trip to Sandown and Yaverland Bay on Thursday 5 October 2023.

We will be leaving school at 9.15 am and arriving back at 2.30 pm. Comfortable clothing should be worn along with sensible walking shoes and an outdoor coat or jacket. We will be outside for the duration of the trip, so we advise that all students are appropriately attired for the weather that day. This trip is compulsory. It is essential all pupils attend as this will be examined in their final GCSEs. Any non-attendance for any reason will require a written letter to the exam board outlining the reasons why they were unable to attend. We will be asking for a £5.00 voluntary contribution towards this trip, payable via Arbor, but if you need help with this, please contact us.

Your child will need to bring a packed lunch with them for the trip. If they are entitled to free school meals, a packed lunch will be provided for them.

In case of an emergency during the trip, please contact Mrs Randall, the home based school contact on the Carisbrooke College number.

We would ask you to complete the attached EV3 parental consent form and return this to the year office no later than Wednesday 4 October. Any voluntary contribution would also be due for this date. If you have any queries, please do not hesitate to contact me on the college number, or email timothy.westby@iwef.org.uk

Thank you for your support with this.

Yours faithfully

Tim Westby
Subject Teacher

Please return to the year office - Geography Fieldwork to Sandown and Yaverland Bay 05/10/2023

NAME:..... I give/do not give permission for my child to attend the geography fieldwork at Sandown and Yaverland Bay.

Yes/No*: My child will require medication (Please inform the year office of this to accompany your child on the trip).

Signature of parent: *Please indicate appropriately
