Dear parents/carers

We are writing to inform you of revision sessions that will be taking place over half term.

These sessions are open to all Year 11 students and we encourage as many as possible to attend.

There is no requirement for students to wear uniform. If your child is expected to be in school for the whole day, please provide them with lunch and a drink as there will be no canteen provision during these days. Students should also make their own way to and from the school.

These sessions are being provided to support the students and provide as many opportunities as we can for them to maximise their potential.

Thank you for your support

Yours faithfully

Mr Pearce-Jones
Head of School
